ADA CERP® Continuing Education Recognition Program

The American Prosthodontic Society is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/goto/cerp.

Individuals who attend the entire meeting may claim a total of 13.05 hours of credit. Credit is awarded and based on actual number of contact hours, excluding breaks, meals, registration periods and social events. Attendees may claim fewer credit hours in accordance with their actual attendance.

NOTE: Unless the completed Attendance Form outlining sessions attended is submitted for documentation, a verification of attendance form will not be issued.
