# CHICAGO 2026 THE AMERICAN PROSTHODONTIC SOCIETY

## Participating Gives You a Competitive Edge in the Dental Market

On behalf of the American Prosthodontic Society (APS), we are pleased to invite you to sponsor, exhibit or advertise at our upcoming 2026 Annual Meeting. Based on your feedback, our 2026 meeting will extend exhibit hours to be open on Friday. This pattern provides exhibitors with more dedicated hours to meet with attendees and makes the most of your time during this busy week in Chicago.

Founded in 1928, the American Prosthodontic Society is one of the three original sponsoring organizations of the Journal of Prosthetic Dentistry. The APS contributes to the discipline, specialty and laboratory technology aspects of prosthodontics and is, in fact, the only national prosthodontic organization that encourages and welcomes dental technologists as full associate members. The Annual Scientific Program has consistently been regarded as one of the best during the Chicago Mid-Winter meeting and has continued to grow over the past several years.

We expect over 400 dentists and dental technologists to be in attendance. Participation in the APS Annual Meeting provides your company with a value-added forum to better target your niche market and gain a competitive edge. We look forward to seeing you at the APS Annual Meeting!

**Dr. Nestor Schejtman**  
APS President 2026

**Dr. Jonathan Esquivel**  
Program Chair 2026
